02 Present Simple: Negative

03 Yes/No Questions

04 WH Questions

05 Two Truths and a Lie!

Quick Recap

Present Simple Affirmative — before we add negative & questions

I / You / We / They

+ base verb (no change)

I live in Panama City.
They have two children.

He / She / It

+ base verb + S

She lives in an apartment.
He has a dog.

Remember the S Rule:

Most verbs: +S (works) · s/sh/ch/x/z/o: +ES (watches, goes) · consonant+Y: y→ies (studies) · vowel+Y: +S (plays)

SECTION 1

Meet Do and Does

The helper verb behind every Present Simple sentence.

Do and Does

Definition

"Do" and "does" are HELPER verbs (also called AUXILIARY verbs) — they don't carry meaning by themselves. Their job is to support the main verb when we make a sentence negative or ask a question.

DO → DON'T

I / you / we / they

don't = do not

DOES → DOESN'T

he / she / it

doesn't = does not

Watch out: "Do" is also a MAIN verb — it means "to make/perform."

"What do you do?" — the first "do" is the helper (question); the second "do" is the main verb, meaning "what's your job?" You can also use "do/does" for emphasis: "I DO like football!" (to insist or contradict someone).

SECTION 2

Present Simple: Negative

Now let's put do/does to work.

Present Simple: Negative

The Rule

Unlike "to be," action verbs need a HELPER verb to go negative: don't (do not) or doesn't (does not) + the BASE verb — never add S after doesn't.

Subject	Negative	Example
I / You / We / They	don't + verb	<i>I don't live in a city.</i>
He / She / It	doesn't + verb	<i>She doesn't work on Sundays.</i>

⚠ Most Common Mistake

X She doesn't works. ✓ She doesn't work.

"Doesn't" already carries the S for he/she/it — the verb after it goes back to its base form.

Practice: Make It Negative

Complete with don't or doesn't:

1. I _____ like coffee.

2. She _____ work on Sundays.

3. They _____ live in Panama.

4. He _____ have a car.

5. We _____ study on weekends.

6. It _____ rain in summer here.

7. You _____ speak French.

8. My mom _____ eat meat.

9. The kids _____ watch TV at night.

10. I _____ have breakfast at 6.

Negative: Answers ✓

4. He doesn't have a car.

5. We don't study on weekends.

7. You don't speak French.

8. My mom doesn't eat meat.

9. The kids don't watch TV at night.

10. I don't have breakfast at 6.

SECTION 3

Yes/No Questions

Do you...? Does she...?

Yes/No Questions

The Rule

Do / Does + subject + BASE verb + ? — same helper verb as negative, now at the front.

Question	Short Yes	Short No
Do you like coffee?	Yes, I do.	No, I don't.
Does she work here?	Yes, she does.	No, she doesn't.
Do they live in Panama?	Yes, they do.	No, they don't.

 *Same rule as "to be" short answers: YES never contracts ("Yes, I do"), NO always contracts ("No, I don't").*

Two Truths and a Lie!

Using everything from today — negative, yes/no, and WH questions.

1

Think of 3 sentences about yourself with Present Simple — 2 true, 1 false. Don't write them down.

2

One at a time, share your 3 sentences out loud.

3

The rest of the class asks Yes/No and WH questions to find the lie.

4

The class votes — then the speaker reveals the truth!

Example: "I have three sisters. I don't like coffee. I work on Saturdays." → "Do you really have three sisters?" "Why don't you like coffee?"

Bonus Activities – If We Have Time!

Guess the Job

One student thinks of a job. The class asks ONLY Yes/No questions ("Does this person work at night?") to guess it.

Chain Interview

Random picker chooses Student A, who asks a WH question to B. B answers, then asks a Yes/No question to C. The chain continues!

Great job today!
